Thank you for your interest in the Scalable Key Value project ("the Project").

In order to clarify the intellectual property license granted with Contributions from any person or entity, IBM must have a Contributor License Agreement ("CLA") on file that has been signed by each Contributor, indicating agreement to the license terms below. This license is for your protection as a Contributor as well as the protection of IBM and its customers; it does not change your rights to use your own Contributions for any other purpose.
If you have not already done so, please complete and sign, then scan and email a pdf file of this Agreement to rgermain@us.ibm.com.

The original signed agreement should be sent to:

IBM Thomas J. Watson Research Center
1101 Kitchawan Road/Route 134
Yorktown Heights, NY 10598
Attn: Robert S. Germain

Please read this document carefully before signing and keep a copy for your records.

You accept and agree to the following terms and conditions for Your present and future Contributions submitted to the Project. Except for the license granted herein to IBM and recipients of software distributed by IBM, You reserve all right, title, and interest in and to Your Contributions.

1. Definitions.

   "You" (or "Your") shall mean the copyright owner or legal entity
   authorized by the copyright owner that is making this Agreement
   with IBM. For legal entities, the entity making a Contribution and
   all other entities that control, are controlled by, or are under

common control with that entity are considered to be a single
Contributor. For the purposes of this definition, "control" means
(i) the power, direct or indirect, to cause the direction or
management of such entity, whether by contract or otherwise, or (ii)
ownership of fifty percent (50%) or more of the outstanding shares,
or (iii) beneficial ownership of such entity.

"Contribution" shall mean any original work of authorship,
including any modifications or additions to an existing work, that
is intentionally submitted by You to the Project for inclusion
in, or documentation of, the Project ("the Work"). For the purposes
of this definition, "submitted" means any form of electronic,
verbal, or written communication sent to the Project or its
representatives,including but not limited to communication on
electronic mailing lists, source code control systems, and issue
tracking systems that are managed by, or on behalf of, the Project
for the purpose of discussing and improving the Work, but excluding
communication that is conspicuously marked or otherwise designated
in writing by You as "Not a Contribution."

2. Grant of Copyright License. Subject to the terms and conditions of
   this Agreement, You hereby grant to IBM and to recipients of
   software distributed by IBM a perpetual, worldwide, non-exclusive,
   no-charge, royalty-free, irrevocable copyright license to reproduce,
   prepare derivative works of, publicly display, publicly perform,
   sublicense, and distribute Your Contributions and such derivative
   works.

3. Grant of Patent License. Subject to the terms and conditions of
   this Agreement, You hereby grant to IBM and to recipients of
   software distributed by IBM a perpetual, worldwide, non-exclusive,
   no-charge, royalty-free, irrevocable (except as stated in this
   section) patent license to make, have made, use, offer to sell,
   sell, import, and otherwise transfer the Work to which Your
   Contribution(s) were submitted, where such license applies only to
   those patent claims licensable by You that are necessarily infringed
   by Your Contribution(s) alone or by combination of Your
   Contribution(s) with the Work to which such Contribution(s) was
   submitted. If any entity institutes patent litigation against You or
   any other entity (including a cross-claim or counterclaim in a
   lawsuit) alleging that your Contribution, or the Work to which you
   have contributed, constitutes direct or contributory patent
   infringement, then any patent licenses granted to that entity under
   this Agreement for that Contribution or Work shall terminate as of
   the date such litigation is filed.

4. You represent that you are legally entitled to grant the above
   license. If your employer(s) has rights to intellectual property
   that you create that includes your Contributions, you represent
   that you have received permission to make Contributions on behalf
   of that employer, that your employer has waived such rights for
   your Contributions to the Project, or that your employer has
   executed a separate Corporate CLA with IBM.

5. You represent that each of Your Contributions is Your original creation (see section 7 for submissions on behalf of others). You represent that Your Contribution submissions include complete details of any third-party license or other restriction (including, but not limited to, related patents and trademarks) of which you are personally aware and which are associated with any part of Your Contributions.

6. You are not expected to provide support for Your Contributions, except to the extent You desire to provide support. You may provide support for free, for a fee, or not at all. Unless required by applicable law or agreed to in writing, You provide Your Contributions on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE.

7. Should You wish to submit work that is not Your original creation, You may submit it to the Project separately from any Contribution, identifying the complete details of its source and of any license or other restriction (including, but not limited to, related patents, trademarks, and license agreements) of which you are personally aware, and conspicuously marking the work as "Submitted on behalf of a third-party: [named here]".

8. You agree to notify IBM of any facts or circumstances of which you become aware that would make these representations inaccurate in any respect.
